

Study opportunity for individuals who have AL amyloidosis: We are recruiting people in Canada that have been diagnosed with AL amyloidosis in the past 2 years. Eligible participants will complete a series of 4 online surveys over the course of 18 months about what it is like to have AL amyloidosis. In appreciation of your time, you will be compensated \$95 CAD for each survey you complete. You may also be asked if you are interested in participating in 2 interviews with a researcher by telephone or webcam. Each interview will take about 1 hour and you will be compensated \$250 CAD for each interview. No medical treatment is provided as part of this study.

If you would like to participate, please contact Nadine at nadine.koekemoer@evolve-fieldwork.com for additional information. Please be sure to include this subject line in your email: **22-523 CASN** or alternatively you can opt in via the following link: <https://forms.office.com/e/c3NHzbizSu>
